

**Memorandum  
Office of Jenine Windeshausen  
Treasurer-Tax Collector**

---

**To:** The Board of the Redevelopment Agency of Placer County  
**From:** Jenine Windeshausen, Treasurer-Tax Collector  
**Date:** May 9, 2006  
**Subject:** Formation of the Placer County Public Finance Authority

---

**Action Requested:**

Approve a resolution authorizing execution and delivery of the Joint Exercise of Powers Agreement.

**Background:**

Certain financings require the use of a third-party entity to facilitate the structure of the financing (see attached Exhibit A, Certificates of Participation Structure). These third-party entities must be either a non-profit corporations or joint powers authority. Financings that require third-party entities include certificates of participation, tax increment financing issued by redevelopment agencies and securitizations of tobacco revenues. In December of 1994, the County entered into a JPA with the North Tahoe Public Utilities District, creating the North Lake Tahoe Public Finance Authority (NLTPFA). The County has successfully used the NLTPFA for several financings in the past. However, the use of the NLTPFA requires at least annual meetings and additional meetings as necessary for the conduct of business related to financing. These meetings can be logistically challenging to coordinate since it requires the attendance of at least one of the two JPA members from the North Tahoe PUD to participate to achieve a quorum.

The Treasurer is proposing the Board of Supervisors enter into a JPA agreement with the Board of the Redevelopment Agency to form a new JPA, the Placer County Public Finance Authority, which can be used to facilitate the issuance of debt for the County and the Redevelopment Agency. This arrangement is logistically efficient because finance related matters that must be presented to the Board of Supervisors, the Redevelopment Agency or the Placer County Public Finance Authority can be scheduled as a part of the regular agenda process for the Board of Supervisors who can convene during their regular meeting as the Redevelopment Agency Board or the Placer County Public Finance Authority Board as necessary.

**Fiscal Impact:**

Bond Counsel for the 1997 Certificate of Participation, Administration and Emergency Services Building refinancing has agreed to provide the necessary documentation and to otherwise facilitate the formation of the Placer County Public Finance Authority as a part of the original bond counsel proposal for no additional cost. Once formed, the Placer County Public Finance Authority can be used for future debt issuance by the County or the Redevelopment Agency.

The use of a JPA does not require a bankruptcy opinion from special counsel to obtain bond insurance as does a non-profit corporation third-party entity. Bankruptcy opinions from special counsel typically cost \$10,000 per issue.

Ongoing annual expenses associated with the JPA are incidental and are typically absorbed in the CEO and Treasurer-Tax Collector budget as is the case with the administration of the North Tahoe Public Finance Authority.

**Environmental:**

This action is exempt from CEQA pursuant to CEQA Guidelines Section 15061(b)(3).

**Recommendation:**

It is recommended that your Board approve the attached resolution authorizing execution and delivery of the Joint Exercise of Powers Agreement by the Placer County Redevelopment Agency for the formation of the Placer County Public Finance Authority.

Respectfully submitted,

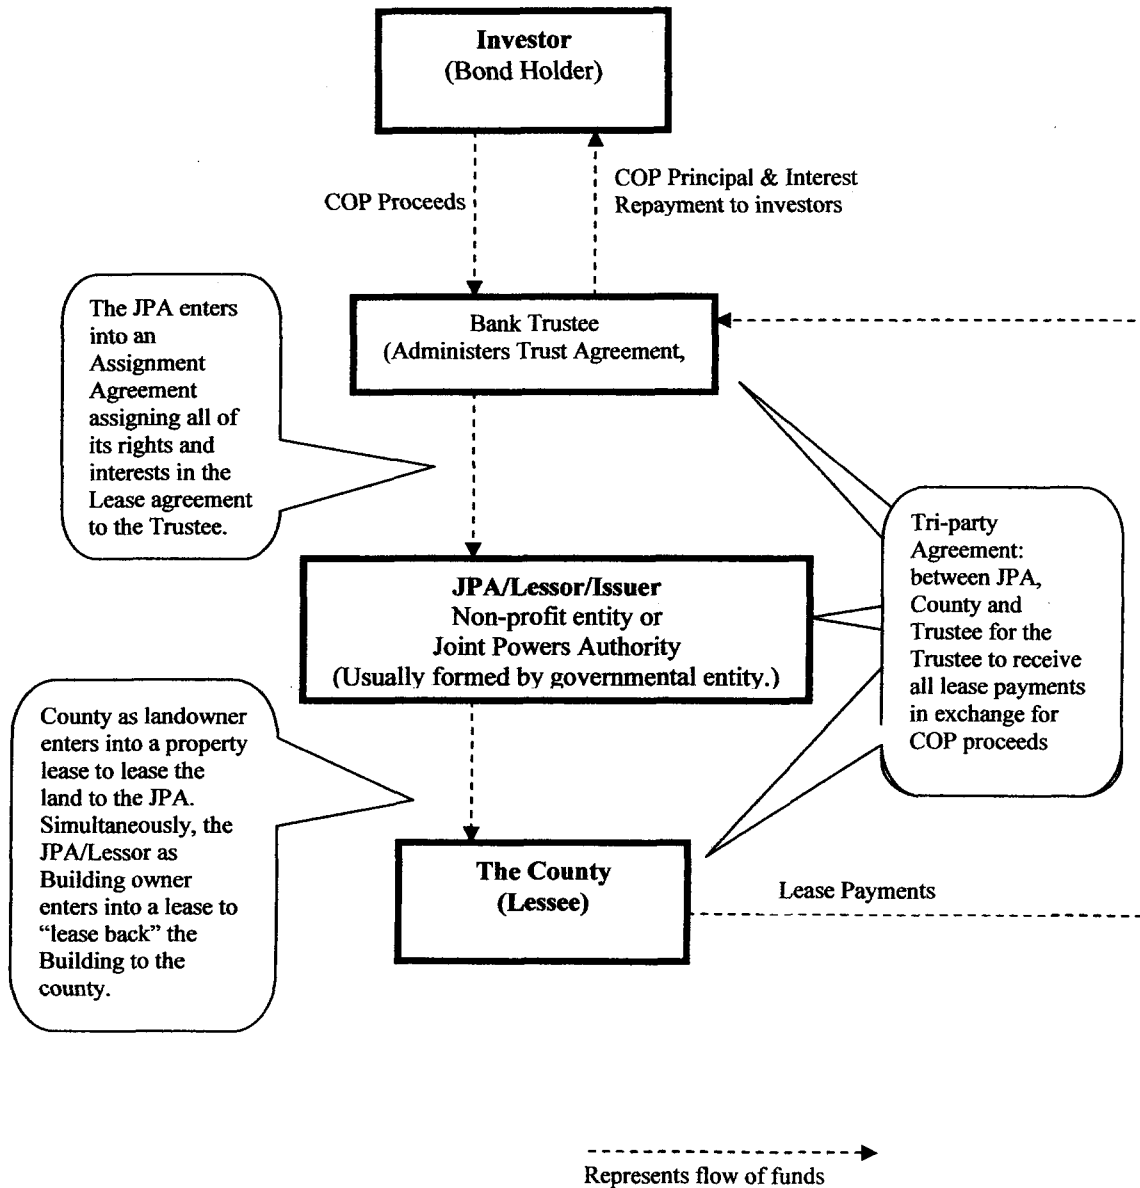

Jenine Windeshausen  
Treasurer-Tax Collector
